

SPECIAL ASSEMBLY

HIGH SCHOOL FACULTY AND STUDENTS DO HONOR TO MR. RICHARDSON

A special assembly was held at the Glendale Union High School on Wednesday morning in honor of Mr. Elmer C. Richardson of the mechanical department, who has enlisted in the aviation service and will leave on Thursday for Berkeley where he will take the training course at the University of California. Mr. Richardson was escorted to the platform with much ceremony by the boys of the military training corps and was presented with a handsome shaving set from the boys of the Mechanical Arts department in a heartfelt speech of presentation by Mr. Oliver of that department. Other speeches were made, including one by Principal Moyses, and Miss Ruth Lathrop, president of the Junior class, also presented Mr. Richardson with a gift from the class. Mr. Richardson has been one of the especially chosen "class teachers" of the Juniors. After the indoor program, the whole assembly marched out to the grounds where a special service was held beneath the flag, Mr. Richardson being escorted by his guard of military corps boys to a position beneath the stars and stripes where he was given the military salute.

In the afternoon a special faculty meeting was called in honor of Mr. Richardson who was presented with a fine radiotelegraph watch by his fellow teachers. Mr. Richardson expects to be in Berkeley for about eight weeks in the ground school, where the theoretical training is received in machine gun, wireless telegraphy and the whole science of signal corps and aviation work and military training. Later he may be sent to Presidio, Texas, or to the aviation fields at San Diego or possibly somewhere in the east. It is certain that Glendale Union High School will continue to maintain a great pride and interest in Mr. Richardson's achievements.

KITCHEN SHOWER

On Tuesday evening a kitchen shower was given at the home of Mr. and Mrs. F. E. Wilkes, 102 West Colorado boulevard, in honor of Miss Clencie Wilkes and Mr. Harry Reed whose marriage is to be celebrated in the near future. About 25 friends were present and the guests of honor were the recipients of many useful gifts as well as the heartiest congratulations of all. The evening was spent with music and games, the musical program being especially enjoyable with violin and piano numbers by the Misses Faith Tarling, Evangeline Quackenbush, Irene Wilkes and Ruth Palmer. Two vocal solos were also given by Miss Hazel Walters. The house was festive in white and gold decorations, chrysanthemums being the flowers used. At a late hour delicious refreshments were served by the hostess.

CITY WELFARE BUREAU

The committee of representatives of organizations doing welfare work in the city of Glendale, which met November 6th in the council room of the City Hall for the purpose of considering plans for the organization of a city welfare bureau, will meet again Friday evening, November 23d, at 7:45 in the council room of the City Hall, to receive the report of the committee on organization.

Mrs. Marie H. Hutchings, local representative of Los Angeles County Department of Charities will be present.

All representatives are urged to be present.

MRS. BROWN HOSTESS

Mrs. Harry V. Brown entertained with a luncheon today at her home, 111 South Central, for the 1913 Matrons of the Los Angeles chapters of Eastern Star. The house was beautifully decorated, great yellow chrysanthemums being artistically arranged throughout the house. A delicious course luncheon was served, the table being lovely with flowers and pretty favors of holly for each guest. Dainty place cards appropriate to the holiday season were used. Covers were laid for twelve. The guests brought their knitting and spent a pleasant patriotic afternoon.

CHRISTIAN ENDEAVOR SOCIAL

Have you heard about the Christian Endeavor social? Well, it's going to be great. All the young people of Glendale, Tropico and Eagle Rock are invited to the open social evening to be held at the Presbyterian church at the corner of Broadway and Cedar streets at 8 o'clock Friday evening, November 23d. There will be a good old time jollification and a good time is promised for all.

TROPICO ANNEXES

IT ONLY REMAINS FOR GLENDALE TO ACCEPT NEW TERRITORY BY ORDINANCE

Citizens of Tropico voted at Wednesday's election to annex to Glendale. The vote was 650 for annexation and 211 against annexation. The Evening News has had very little to say on this question of annexation for the reason it was a question for the citizens of the Tropico community to decide for themselves. It is indeed gratifying to know that there is a prevailing sentiment in this section of the San Fernando Valley for people to work in harmony. Conditions are common to all of the people of this section of the valley, so what is good for the residents of Glendale is also good for the residents of Tropico. Now if by combining their municipal affairs there will be a marked saving, the gain will be common to all, and the people of the entire community will be benefited. According to a new law governing the receiving of annexed territory it is now up to the board of trustees of the city of Glendale to accept the new territory by ordinance. The law reads thus:

An act to amend an act entitled, "An act to provide for the consolidation of municipal corporations," approved June 11, 1913, and amended April 29, 1915, by amending sections three, four and five. (Approved April 2, 1917). In effect July 27, 1917.

The people of the State of California do enact as follows:

Section 1.—Section three of an act entitled, "An act to provide for the consolidation of municipal corporations," approved June 11, 1913, and amended April 29, 1915, is hereby amended to read as follows:

Sec. 3. If it shall appear from the canvass of the returns of the election mentioned in section two of this act, that a majority of the votes cast in the municipal corporation in which such election was held, upon the question of consolidation submitted at such election, are in favor of such consolidation, the clerk of the legislative body of such municipal corporation, shall forthwith make, under the seal thereof, and deliver to the clerk of the legislative body of the other of the municipal corporations proposed to be so consolidated, to-wit, the municipal corporation having the greater population, a copy in duplicate of the record of such canvass, together with a statement of the proposition submitted at such election. The clerk of the legislative body of such municipal corporation so having the greatest population shall present one such copy of said record and said statement to such legislative body without delay, and retain the other to be filed as herein provided. Upon the copy of such record so presented such legislative body may, by ordinance, approve such consolidation, or, in case of failure to so approve, by ordinance, such consolidation, shall then submit to the electors of such other of the municipal corporations so proposed to be consolidated, and having the greatest population, the question such consolidation shall be effected. The above is quoted from Chapter 34 of the Statutes of California.

FOR EASTERN GUESTS

A very charming tea was given on Wednesday afternoon by Mrs. Albert S. Chase at her home, 1500 Riverdale drive, in honor of Mrs. Rogers and Mrs. Ralph, both of Buffalo, New York, who are sisters and guests for the winter of Mrs. Katherine Shank at her home, 1549 Riverdale drive. The house was elaborately decorated with gorgeous poinsettias and beautiful red roses. The guests, besides the guest of honor, were: Mesdames George Lyons, O. E. Van Oven, Stephen C. Packer, Colin Cable, Gertrude Farlander, John Fraser, Robert Yost, Leroy Bosserman, Minnie Patterson, Earl Bryant, E. D. Yard, Ricksecker, E. T. Preston, Mary Cable, Ashton, and Katherine Shank. A delightful musical program was given, including vocal numbers by both Mrs. Katherine Shank and Mrs. Robert Yost. Mary Cable gave a very clever reading. The tea tables were lovely with dainty decorations. Mrs. Ashton poured.

MUSIC SECTION MEETS

The music section of the Tuesday Afternoon club will meet at the home of Mrs. L. N. Hagood, 1454 Salem street, on Friday, November 23d, at 2:30 o'clock. Schubert and Grieg will be studied, and an interesting program has been prepared by the members of the section. All section members are invited to be present.

WEATHER FORECAST—Fair tonight and Friday. Westerly winds.

HAIG'S TROOPS "CARRY ON"

BRITISH TROOPS CONTINUE THEIR GIGANTIC SMASH OF HINDENBURG LINE WITHIN MILE OF CAMBRAI

(Special Service to Glendale Evening News)
WITH THE BRITISH ARMIES BEHIND THE HINDENBURG LINE, November 22.—Victorious troops "carried on" today with England's triumphant smash of the Hindenburg line sweeping forward to within two miles of Cambrai, the key to German communication. Tanks, cavalry and infantry all closed steadily around Cambrai—the great war machine rumbling on over the enemy just as the tanks first crushed through the German line. Every hour makes the victory more gigantic. The Hindenburg line has been completely smashed.

BAN JOHNSON PULLS A "BONER"

OFFICIALS INDIGNANT AT PRESIDENT OF AMERICAN LEAGUE FOR REQUESTING EXEMPTION OF PLAYERS

(Special Service to Glendale Evening News)
WASHINGTON, November 22.—That Ban Johnson, president of the American league pulled a "boner" in asking exemption of baseball players, was indicated here today by officials. "This should be the beginning of his end," said one official. His suggestion was received with indignation by Provost Marshal General Crowder.

ITALIAN LINE STANDS FIRM

RESISTS DESPERATE AUSTRO-GERMAN ATTACKS AT EVERY POINT BETWEEN PIAVE AND BRENT

(Special Service to Glendale Evening News)
ROME, November 22.—Seven desperate enemy attacks within the last 56 hours were flung back by the Italian line between the Piave and the Brenta rivers. Every inch of the Italian line stood firm despite the tremendous violence of the Austro-German attack.

REVOLUTIONISTS TO DECLARE ARMISTICE

LENINE AND TROTSKY WILL SEEK SEPARATE PEACE FOR RUSSIA IF ALLIES REJECT PLAN

(Special Service to Glendale Evening News)
LONDON, November 22.—Lenine and Trotsky, Bolshevik dictators of the Russian "government," propose with their revolutionary associates to proclaim an armistice for all belligerents as soon as they are firmly established in power. If the belligerents refuse or the allies reject the plan the Russian "government" will consider itself justified in declaring a separate peace.

GERMANS PLAN RUSSIAN REVOLUTION

LENINE IS TOOL IN HANDS OF KAISER TO SPREAD GERMAN PROPAGANDA IN RUSSIA

(Special Service to Glendale Evening News)
PARIS, November 22.—Absolute proof that Lenine, Russian Bolshevik dictator, was sent to Russia by the German spy system to create Prussian propaganda, is in the hands of the French government today, it was officially announced.

GERMAN MONEY KEEPS MEXICO IN TURMOIL

EVIDENCE PROVES THAT KAISER IS ACTIVE IN CAUSING RECURRENCE OF REVOLUTIONS

(Special Service to Glendale Evening News)
WASHINGTON, November 22.—Responsibility for the recurrence of revolutions in Mexico by Villa, Zapata and Diaz has been fixed squarely on German money and German interest, it was officially stated here today.

The real seriousness to the United States of this statement lies in the probable curtailment of the oil supply from the Tampico fields.

Evidence proves that Germany has been pitting faction against faction in Mexico and supplying money to induce American intervention in Mexico.

RUSSIAN ARMY CHIEF DEPOSED

(Special Service to Glendale Evening News)
PETROGRAD, November 22.—General Dukhomin, named commander-in-chief of the Russian armies by the Bolsheviks, was directed to negotiate for an armistice among the belligerent nations. He refused to obey the order and was immediately deposed.

EXTENDS BARRED ZONE

BERLIN, November 22.—The extension of the German barred zone to include shipping in the Azores and in Greek waters was announced today.

U. S. SENDS SUPPLIES TO RUSSIA

WASHINGTON, November 22.—Supplies are now moving to Russia and will not be halted, the war trade board officially announced today.

BE LIBERAL IN MIND

EDUCATE PEOPLE TO THE NEED OF GIVING AND THEY WILL GIVE

In this time of much solicitation and much giving it is to the interest of everybody to retain a mental balance that will in the end bring about desirable results. Not all men think alike at the same time—not all men become enthused over the same proposition at the same time. So in doing solicitation work it is a good plan to be of a liberal frame of mind. Do not approach people expecting them to immediately think the same as you do, and if you fail to get them to think as you do that is not cause for denouncing the person under consideration.

There are men who are amply able to give financial aid to causes connected with the war, who have become very familiar with the grand work the American Red Cross Society is doing, and these men feel it their duty to give liberally to the Red Cross. There are other men who are more familiar with the great work being accomplished by the Y. M. C. A., and these men feel called upon to give the money they can spare to the Y. M. C. A. cause.

People must be educated up to the need of giving before they are in a position to give in the right spirit. When object lessons of the grand work the Red Cross is doing are brought clearly before people, there is no delay in giving on the part of the person able to give, and the same is true in the case of the Y. M. C. A. Educate the people as to the great work both of these organizations are doing and there will be no lack of necessary funds to push forward the good work.

WAR CAMP COMMUNITY RECREATION FUND

Editor Evening News:

This morning I received a letter from John N. Willys, best known as president of the huge Willys-Overland company, who is now serving our country as National Chairman of the War Camp Community Recreation Fund.

This letter was sent to several Glendadians whose names were mentioned. They will understand more about the matter.

It occurred to me that we cannot allow our city, so wonderfully aggressive in all good work—note the degree of enthusiasm in the Red Cross, Y. M. C. A. and Yule-Tide Gift campaigns—to ignore the appeal that Mr. Willys makes. I hope that you will publish the enclosure in full, even if it takes half a page of the Evening News.

Briefly, the War Camp Community Recreation Fund is for the purpose of providing recreation and suitable occupation for the soldiers OUTSIDE of the camps. Virtually the same thing that the Y. M. C. A. and the K. of C. are doing so well in the camps. This effort is not a half-baked attempt to spend money without due consideration and is as important as the great work of the Y. M. C. A.

It is hoped that the sum of three dollars per enlisted man may be secured for this purpose. Why not \$3 for each of Glendale's quota? I know that we are importuned to give "all the time," but the cause is good and the need is real. Let us have a live committee appointed to do our share of this work; and show the kind of stuff we're made of.

Sincerely yours,
HENRY R. HARROWER, M. D.
Nov. 22, 1917.

YULETIDE BENEFIT

The last opportunity to aid our soldier and sailor boys with a Yuletide remembrance is to be given the public Friday evening November 23d at the Palace Grand. The Yuletide committee will close its headquarters in Glendale the following day and will send in the final contribution from Glendale at that time. Those who wish to be sure to do their bit for the soldiers' Christmas have only this one more opportunity. Harry Lauder will be there, impersonated by Mr. Francis Henry. Critics who have seen the two persons claim Mr. Henry equally as wonderful as Harry Lauder. The picture starring "Billie" Burke in "Arms and the Girl" will be presented.

Get tickets at Yuletide headquarters 1017 W. Broadway, or phone Mr. Mitchell, Glendale 6941. Not only for yourself, but to sell your neighbors and friends. Matinee 2:15 and 3:30. Evening, 7:15 and 8:45. Tickets for this benefit may also be bought through the school children.

Whenever information is needed on any subject it is good business to seek for that information at the headquarters of the firm or institution about which you wish the information.

HAPPENINGS IN STATE

FRUIT GROWERS IN FIFTIETH ANNUAL SESSION STUDY DAVIS FARM SCHOOL

SACRAMENTO, November 22.—Davis and the University of California Farm School drew the chief attention of the California Fruit Growers association convention here today. After devoting the morning to a discussion of "Have We Reached the Limit of Profitable Orchard and Vineyard Planting," led by Secretary H. C. Dunlap of the Prune and Apricot Growers' association of San Jose, the fruit growers entrained for Davis where the afternoon was spent. A tractor demonstration, explanations of horticultural experiments in progress at the farm and an address by Dean H. C. Van Norman of the Farm School were the chief events of the afternoon.

MERCED, November 22.—Dog fanciers gathered in Merced today for the first annual meet of the Golden State Coursing club convening today and tomorrow at the Dallas ranch near here. Not only are California greyhounds entered for the meet but there are a number of easterners on hand. The California Cup is the chief trophy offered while in addition the winner of the 32-dog stake will get \$800, the runner-up \$400 and the two dogs beaten in the semi-finals \$125 each.

SAN FRANCISCO, November 22.—Canadian, Northwestern and local boxers tonight will open the two-day Red Cross boxing tournament which promises to be one of the big sporting events of the fall. William Davies, boxing commissioner of the Vancouver Island Athletic club has brought Charlie Picca, Canadian bantam champion; Baptiste Thomas, holding the western lightweight title of Canada and George Corkle, a lively welterweight. From Seattle Lieut. Earl Baird, 125 pound champion, Bob Harper, Far-Western featherweight champ and Frank Pantley are entered. Pete Towne, George Green and several other local scrappers will represent California ring artists.

San Francisco opened its melting pot today. Into it will be poured old silverware, old jewelry, trinkets, watchcases—anything of metal—and when it is filled the proceeds from the sale of the metal will go to the San Francisco Association for the Blind. The fund is being raised to improve the association's workrooms.

WE'VE HARDLY BEGUN

America is a thousand miles yet from a real beginning. Until the garbage cans are put out of commission entirely, all the bones picked clean, every foot of ground at all fitted for it put in cultivation, and every pound of grain put to useful purpose instead of being worse than wasted in liquor manufacture, we will not know what real saving is.

We still spend millions for picture shows, for chewing gum and candy and for scores of other things we could go without. Mind you, I am not saying we ought to go without all these things, but we may come to it yet. But there is one line of conservation that the government has not yet given any attention to and that is game. We read every day of men going out and shooting their limit of quail or ducks, and when the season comes, of deer. Here are thousands, yes, millions of pounds of meat used and much of it is wasted. Could not the government take this over, place it with meat markets and thus save millions of pounds of beef and pork? And in the way of land conservation, there are thousands of acres right around us that ought to be in cultivation. When we get all the vacant lots and vacant acreage planted there would still remain golf links and club grounds occupying hundreds of acres. So we are still very far from the end of our resources so far as land for planting is concerned. But it is well to think on all of these things.

—O. L. K.

Y. W. C. A. SPEAKER MAKES HIT

The meeting Wednesday night of the "Mothers and Daughters' Week" at the First Methodist church, was one of the best. Miss Florence Taylor, of the religious work department of the Y. W. C. A., Los Angeles, was the speaker. She is a splendid speaker, intensely in earnest and knows how to reach her hearers. Her messages are clear, direct and forceful. Miss Taylor only recently came to Los Angeles from New York, but has already made her work felt in this section.

The speaker for the meeting tonight will be Mrs. G. Foster, assistant to Dr. Charles Edward Locke, of the First Methodist church, Los Angeles. Mrs. Foster is a well known Christian worker.

THE PERMANENT BRAND

By Berton Braley

When I was a maverick runnin' free
The West she took an' she branded me,
Marked me deep with that special brand
That she put on sure in that Western land;
An' after that christenin' occurred
She turned me loose with her own big herd.

But I was allus a stray at heart
An' I roamed all over the bloomin' chart
From North to South an' from West to East
I sure was kind of a restless beast,
An' I mixed with herds of a hundred kinds,
—The sorts that a maverick critter finds,
But wherever I chanced to take my stand
They piped me off by my Western brand!

I've tried to hide it—but what's the use?
I've tried to beat it an' wander loose,
But somethin' gets me an' brings me back
To the old-time herd on the old-time track,
Fer that brand ain't one you twist an' change
To suit each rancho you want to range.

Fer it's burnt deep down in your heart an' sold
An' it won't come out till you join the roll
Of them that's finished, as all things shall,
By findin' a place in the last corral!
—An' I ain't sure but the Western brand
Won't still show plain when we come to stand
Where the Boss of the Final Round-Up picks
The first-class lot from the mavericks!

TEACH MERCHANDISING

The complaint has often been made that the modern schools do not turn out many young people who are well fitted for business life. Perhaps the trouble is that our school systems do not offer incentive enough. Wages earned by store clerks are not usually high, and the limited opportunity may not stir the pupils' ambition. If they could be shown how by better training to make a bigger success, they would feel incited to more thorough preparation.

It is quite an art to conduct a retail store, and a young man needs a thorough training for it. The Hoboken (N. J.) board of trade recently ran a school of merchandising for adult merchants and men already in business. It was interesting to see elderly men studying how to conduct a store, how to educate the public up to using the best goods, how to get the people to become regular customers, etc. The advantages and methods of advertising were also taught.

The pupils were shown how on rush days to wait on two customers and keep everyone satisfied, where formerly they had attended to but one. The dignity of storekeeping and of the salesman's service were emphasized. Any young man thinking of entering retail trade would be benefited by a course like that. He would stand more chance of eventually getting into business for himself.

Indeed, if men already established in business need such training, how much more is it needed by novices! If retail trade is worth doing, it is worth doing in the most scientific way, with instruction based upon the practical experiences of men who succeeded in it.—Berkeley (Cal.) Gazette.

PREVENT FREIGHT CAR SHORTAGES

In an effort to prevent one of the most serious freight car shortages that California has ever experienced and which railroad officials say is sure to come unless every shipper joins in the movement for the conserving of car space, the State Council of Defense has inaugurated a State-wide campaign for the more prompt loading and unloading of cars and the loading of every car to its maximum capacity.

According to the State Council, freight transportation facilities throughout the country are now taxed to their utmost and the demand for cars will become even greater as the movement of this season's grain crop gets under way. Congestion of transportation means higher prices for food stuffs and all necessities, says the State Council, and for this reason every shipper and receiver of freight are urged to strictly observe the following rules:

1. Receivers of freight should purchase in the nearest market.
2. Receivers of freight should be prepared to quickly store the full contents of every carload of goods which they receive.
3. Both the receivers of freight and shippers should bunch their orders so as to make full carload lots.
4. Cars should be unloaded with the utmost promptness. Freight shippers may help by adopting these methods, says the State Council of Defense.
1. Load all heavy commodities up to 10 per cent in excess of the marked carrying capacity on each car.
2. Load light weight or bulky freight to the full cubical capacity of each car.
3. Always have your shipment ready for immediate loading upon receipt of cars.
4. Arrange freight in car so as to permit quick unloading at destination.
5. Use drays or motor trucks instead of "trap car service" and avoid use of freight cars for moving food from one point to another within the same city.
6. Furnish billing agent full instructions permitting weight bill being made up before loading is completed and time loading to suit schedule of departing trains.
7. Consign shipment to final destination wherever possible.

AMERICANS TEACHING BABY CONSERVATION IN FRANCE

American baby experts have gone to France to help that nation conserve and increase its supply of infants, depleted and retarded by the war.

Last year France's death rate was more than twenty of every thousand persons, not counting men killed by the war. Only eight babies were born to every thousand persons. At that rate, the civilian population of France is falling 788,000 a year.

Compared with this, in New York state last year 23 babies were born to every 1,000 persons, while only 14 of every 1,000 persons died.

The chief cause of this infant and adult mortality, the Red Cross said, is widespread tubercular infection which is threatening the population of France as a result of trench warfare.

Before the war France's births and deaths were about equal. But in Paris, where 48,917 babies were born in 1914, only 26,179 were born in the second year of the war, ending August 1, 1916.

The American experts were sent under the leadership of Dr. William P. Lucas of the University of California, originator of the "save a Belgian baby" movement. They followed urgent cabled appeal from Major Grayson, M. P. Murphy, head of the Red Cross Commission in France.

"There is crying need for effective work among children," said Major Murphy.

The Americans will work without compensation. Other units will follow. They will carry on a general educational campaign among French mothers in parental hygiene and scientific feeding and care of babies. Special efforts will be made to protect children from tubercular infection.

With Dr. Lucas in the first unit are: Dr. J. Morris Slemmons of Yale, Dr. Julius Parker Sedgwick of Minnesota university, Dr. John C. Baldwin, child specialist; Dr. Clain F. Gelston, Dr. Lucas's assistant; Dr. N. O. Pearce and experts in child welfare, Mrs. J. Morris Slemmons, Mrs. William P. Lucas, Miss Elizabeth Ashe, and Miss Rosamond Gilder, daughter of the poet, Mrs. William Lowell Putnam of Boston financed the unit.

MEAT ANIMALS GAIN IN PRICE

The prices received by producers for cattle, sheep and hogs, September 15, and chickens, October 1, have gained 52.7 per cent in the general average from 1916 to 1917, according to the latest report of the United States Department of Agriculture.

sible and discourage shipments that require changing destination in transit.

8. Do not bill shipment by circuitous routes in order to avoid the effect of embargoes.

The use of all substitute transit facilities is advised to lessen the load of the railway freight service. The State Council of Defense is now endeavoring to secure a representative in every city and town in California who will conduct an active personal campaign among shippers and receivers of freight which will result in a State-wide conserving of cars.

WHERE THEY SYMPATHIZE

The Lafollettes of the country have labored painfully to record their horror at the seizure of Herbert Bigelow in Cincinnati by masked men, who subsequently administered to this probably well-meaning, but erring, gentleman a severe beating.

That the acts committed against Mr. Bigelow constitute an atrocious crime, no thinking person will deny. As far as it went it was a lynching. It is morally and legally indefensible. Every man who joined in the chastising of Mr. Bigelow probably is a greater menace to society than the victim of their wrath, and furthermore they have done their country no good. The federal statutes provide a sentence of ten years in prison for the crime and all persons convicted of a part in it should be heavily punished.

But there was no factor connected with the outrage which the Lafollettes have neglected to mention, and of which the law always takes cognizance. That is provocation. Mr. Bigelow was himself the provocation and therefore he must shoulder a share of the responsibility for his punishment. His provocation was both mental and moral; he refused to take cognizance of his environment and to recognize that there are limits of offense to the sentiments of his fellowmen beyond which it is unsafe to venture, and that in every community there are some "wild and crude" souls that make this border line difficult to discern.

It is also noteworthy that among the shocked defenders of Mr. Bigelow there is not one who is known to have condemned or complained against the murder of women and children, the criminal assaults upon Belgian and French girls, the mutilation and slaughter of prisoners and other crimes committed, not as acts of "wild justice," but by Prussian officers and soldiers, in full control of their emotions, proceeding under orders of the German general staff and with the knowledge and approval of their emperor. Nor have they voiced any indignation at the bomb outrages and incendiary fires and assaults upon the lives of American citizens in their own homes by German agents.—Oakland Tribune.

We Have in Stock These Few Used Cars at Real Prices:

If you are in the market for a used car it would be worth your while to investigate and look them over. Make us your own proposition.

1 4-cylinder Studebaker speedster or racing type with high tension Bosch magneto. All new tires, in A-1 mechanical condition. Will do about 65 or 70 miles. This is a real buy at \$275.

1 1914 4-cylinder 5-passenger Michigan with good rubber upholstery like new, this car has had very little use and is an exceptionally good buy for touring and heavy work. Price \$400.00.

4-cylinder Studebaker Touring Car, new top, 5 excellent tires, repainted, fully equipped and in good mechanical condition. Price, \$725.00

1 6-cylinder, 7-passenger Studebaker with new tires, accessories, etc. Price, \$900.00

1 50 H. P. 6-cyl. Mitchell, 5 Pass. Touring Car, self starter. In fine mechanical condition. Price, \$300.00

Packer & White

Cor. Brand and Colorado
Home Blac 200 Sunset 234

The advance for beef cattle per 100 pounds, live weight, was from \$6.55 to \$8.40, or 28 per cent; for veal calves per 100 pounds, from \$8.77 to \$11.08, or 26 per cent; sheep per 100 pounds, from \$6.25 to \$10.05, or 61 per cent; lambs per 100 pounds, from \$8.22 to \$13.06 or 59 per cent; hogs per 100 pounds, from \$9.22 to \$15.69, or 70 per cent, and chickens from 14.3 to 18.1 cents per pound, or 27 per cent. Sheep, lambs, and hogs have far exceeded beef cattle, veal calves, and chickens in the upward price movement at the point of production.

The highest price at the farm per 100 pounds, live weight, reached during the year under review, was \$8.70 for beef cattle in May, \$11.08 for veal calves in last September, \$10.15 for sheep in May, \$13.06 for lambs in last September, \$15.69 for hogs in last September, and 18.1 cents per pound for chickens October 1 of this year. The latest farm price reported is the highest one of the year for veal calves, lambs, hogs, and chickens; the May price was the highest for beef cattle and sheep.

Personals

Mr. and Mrs. Homer B. Miller, of 1534 Burchett street, are proud and happy over the arrival on Sunday of a tiny baby daughter, Gene Elizabeth Miller.

Mrs. E. Z. Barnett, of 502 West Ninth street, has suffered a severe nervous breakdown and is confined to her bed, unable to see anyone for the present.

Mr. and Mrs. A. Petersen have recently come to Glendale from their home about 20 miles north of Wichita, Kansas, and will make their home for the winter at 1332 West Colorado boulevard.

Mr. and Mrs. Grover Cable of Los Angeles and Mr. and Mrs. L. B. Ashton, of 814 South Central avenue, were dinner guests on Wednesday evening of Mr. and Mrs. Colin Cable at their home, 755 South Columbus avenue.

Mr. and Mrs. O'Neal S. Palmer and daughter, Miss Ruth, of 115 West Colorado street, with Mr. John Quackbush, of 119 East Colorado street, were among those who attended the automobile show in Los Angeles on Saturday.

Mrs. L. H. Sherman and daughters, Ada and Helen, of Pasadena, were Sunday guests at the homes of Mr. and Mrs. C. W. Burkett and Mr. and Mrs. R. D. Goss, 708 West Fifth street, all being former townspeople of New Sharon, Iowa.

Capt. Wm. H. Reeves, U. S. A. on furlough from Fort Leavenworth, Kansas, spent Tuesday afternoon with Mr. and Mrs. J. F. McClish, 808 West 8th street. Capt. Reeves is a close personal friend and business associate of Mr. McClish.

A splendid program will be given and refreshments served at the West Glendale church Friday evening at 7:45. Everybody invited. Silver offering will be taken for new carpet fund. A candy booth will be conducted by Epworth Leaguers. 69tf

Mr. and Mrs. D. W. Henke, of 1562 Burchett street, had as their guests for dinner and the day, Sunday, Mr. and Mrs. Van Luvén and son, Sanford, of Burbank, and Mrs. Henke's parents, Mr. and Mrs. D. E. Dietrich of 1542 Patterson avenue.

Mrs. H. N. Hayhurst, of 528 South Louise, wife of Mr. Hayhurst, of the High School, left on Sunday for Tucson, Arizona, where she will visit her parents for several weeks. She will be joined before Christmas by Mr. Hayhurst, who expects to spend his two weeks' vacation in Tucson.

The Andrew family, of Los Angeles, who are well known professional bell ringers and are brothers and sisters of Mr. Charles H. Andrew, of 129 North Maryland avenue, are coming out to Glendale on Sunday and will give an exhibition of their beautiful cathedral chimes hand bell ringing at the Congregational church in the evening.

Mr. W. A. Anderson, of 407 South Isabel street, and son, George, have left for Palo Verde where their ranch is located near Blythe. They are beginning active ranching operations, having already put in a well and having the house partially completed. They report the climate and location delightful and the community prosperous. They expect to raise cotton.

On Wednesday afternoon the Calling committee of the Tuesday Afternoon club was entertained at the home of Mrs. George Adams, 1450 Ivy street. The members of the committee who were present, besides the hostess, were: Mrs. M. C. Patterson, chairman, Mrs. T. W. Preston, Mrs. Mary Brooks, Mrs. Alfred Dove and Mrs. E. F. Andrews. Mrs. W. W. Ramsay, president of the Tuesday Afternoon club, was the only guest not a member of the committee. A very pleasant afternoon was spent, the ladies all being occupied with war knitting. The hostess served very delicious refreshments.

Mrs. Vivian Webb, of 1107 West Seventh street, has responded most generously to the call of the Red Cross for French books to be used in the cantonments. Mrs. Webb sent a large number of practical books for the study of French to the Red Cross headquarters, for the use of our soldier boys.

We are glad to see that our old friend Wilnot Parcher is being appreciated in his new home at Tujunga, where he moved to get relief from asthma. On Monday night he was unanimously elected a director of the Board of Trade. Mr. Parcher's reputation for efficiency and faithfulness on the Board of Trustees of the city of Glendale is known in Tujunga.

Miss Phoebe Ara Bowler will present her piano pupils in a recital at the home of Mrs. Noyse, 108 N. Kenwood street, Friday evening, November 23. The public is invited. The Glendale children who will appear on the program are Clarence Good, Genevieve Noyse, Dylon Knox, Annabelle Rockfield, Ruth Morton and Ruth Wadsworth. Robert Thompson, the 13-year old boy pianist, who created a sensation at his first appearance here will be on the program.

MEETING OF CITIZENS

There will be a meeting of the citizens of Glendale, under the auspices of the Chamber of Commerce, at the Chamber of Commerce rooms, 1010 West Broadway, this—Thursday— evening at 7 o'clock, for the purpose of considering how Glendale will be represented at the Rose Tournament in Pasadena, January 1. You are welcome.

RAILWAY TELEGRAPHERS DISCUSS WIRE ECONOMIES

CHICAGO, Nov. 22.—Conservation of telegraphing and telephoning, in connection with both railroad and commercial wires, will be taken up at the special meeting of the Association of Railway Telegraph Superintendents, which opened here today.

The delegates will also consider plans for establishing schools to teach telegraphing and thus relieve the present shortage of operators.

LESSONS LEARNED BY DIVERS

Experiments made by the British admiralty and the United States navy prove that deep sea diving is feasible. It has been found that the shorter the time a diver takes in getting to the bottom the better, because his body absorbs less nitrogen. Also, the diver must have at least one and one-half cubic feet of air per minute at all depths. Lacing the legs of the diver's suit increases his stability and permits him to come to an erect position with ease. It also lessens the danger of his falling or being suddenly blown to the surface.—Popular Science Monthly.

A READY WITTED PARSON

The evening lesson was from the book of Job, and the minister had just read, "Yea, the light of the wicked shall be put out," when immediately the church was in total darkness.

"Brethren," said the minister, with scarcely a moment's pause, "in view of the sudden and startling fulfillment of this prophecy, we will spend a few minutes in silent prayer for the electric lighting company."—Boston Transcript.

LESS EXPENSIVE

"Edith says she would rather dance than eat."
 "Well, she'll find plenty of men who would rather sign a dance program than a dinner check."

A quarter of a million acres of land in Texas are planted in peanuts.

There are now about 40,000 aeroplanes in use for war purposes.

CERTIFICATE BUSINESS UNDER FICTITIOUS NAME

We, the undersigned, hereby certify that we are conducting business at No. 1325 Louise street, North Glendale, county of Los Angeles, state of California, under the firm name of Cutler Card Case Company, and that said firm is composed of the following named persons:

I. M. Cutler, whose address is 1327 Louise street, North Glendale, Cal.
 W. C. Cutler, whose address is 1327 Louise street, North Glendale, Cal.
 Witness our hands this 5th day of November, 1917, at Glendale, Cal.
 I. M. CUTLER.
 W. C. CUTLER.

State of California,
 County of Los Angeles, ss.

On this 5th day of November, 1917, before me, Stella Smith, a notary public in and for said county and state, residing therein, duly commissioned and sworn, personally appeared I. M. Cutler and W. C. Cutler, known to me to be the persons whose names are subscribed to the foregoing Certificate of Business, and acknowledged to me that they executed the same.

In witness whereof, I have hereunto set my hand and affixed my official seal the day and year in this certificate first above written.
 (SEAL) STELLA SMITH,
 Notary Public in and for Said County and State.

My commission expires May 7, 1918. 56tf-Tues

BUY CHRISTMAS GIFTS

Here is a bit of advice. Don't let the "no Christmas" bug get into your system. Don't try to economize by curtailing the remembrances to your loved ones and friends at this most joyous holiday of the entire year. Do your saving in some other manner but rejoice during the Christmas holidays and help spread the gospel of gladness as you have never done before. You may think it a waste of money to send a gift to the friend of former days, and that during this time of war and demands on your pocket book, greater good can be accomplished by other use of the money. Sounds reasonable, but here is the rub. That friend, without your token of esteem and remembrance may pass a Christmas time without the spirit of good fellowship entering his heart. There never was a time in the history of the world when the need of fellowship and good cheer was more evident. If your gift will bring one ray of sunshine into the world, then for the little good the saving will do you or the war, the risk of withholding it is too great.

President Wilson has taken the right attitude in regard to Thanksgiving day. This country, although in war, has every reason to give thanks. To be thankful that a strong nation can be made to see the danger to democracy and will respond by buckling on the sword. Peace on earth, good will toward men, may seem a long way off, but it will not be brought nearer by the sudden stopping of Christmas gifts. Save on laundry soap, if necessary, save on wheat and meat, and neckties, but don't save on your Christmas gifts.—Whittier News.

CHURCHES SAVE COAL HOLD JOINT-SERVICES

DANVERS, Mass., Nov. 22.—Conservation in religion is the latest idea in war-time economy here.

As a result of the scarcity of coal and the high cost of the available supply, the Universalist and Unitarian churches here have united for services during the war.

Three Unitarian churches in Salem have also adopted the conservation plan, and the respective ministers will take turns in conducting services.

JUST HIS LUCK

"So you're going home?" said the old man to the wanderer.

"Yes, tomorrow."

"I understand they are preparing the fatted calf for you?"

"Just my luck. The doctor has made me cut out all fat foods."—Yonkers Statesman.

ANNOUNCEMENT
 —San Fernando Valley announces the engagement of her fairest daughter, Miss Tropico, to Mr. Hustler Glendale. The marriage will occur around the holidays, after which the happy pair will settle down in the old home. We predict for them a happy and prosperous life together.

ELECTRIC COOKING
 —has opened the door into a new world of cooking triumphs. It has shown women the way to better cooking results.
 —it has made possible more delicious food—richer, juicier meats—more delicately flavored vegetables—more uniformly baked bread, pies and cakes.
 —these remarkable results may be obtained by anyone through the use of an electric range. They are the logical outcome of the combination of electric heat and the special construction of the electric range.

LA CANADA

The annual stockholders meeting of the Sierra Madre-Lamanda Citrus association was held Tuesday, Nov. 20th at the packing house in Lamanda Park. At this meeting the old board of directors were re-elected. Most of the lemons grown in La Canada valley are shipped through this association. The gross amount of the sales of this association for 1916-17 were over \$500,000. Lemon growers of La Canada present at this meeting were Mr. Jesse Knight, Mr. Jewett, Mr. Johnson, Mr. Seright, Mr. D. J. Green, Dr. Salisbury and Mr. Shepherd.

A pleasant surprise was given Mrs. Daisy Seright last Friday, by the unexpected arrival of her mother, Mrs. MacDonald, from Ohio. Mrs. MacDonald has been visiting relatives in Ohio for the past six months. Her many friends are happy to welcome her back.

The regular meeting of the Improvement association will be held Saturday, December 1st. Mr. and Mrs. Johnson are the committee responsible for this meeting. Noted men will be the topic carried out for this meeting. Later announcements will be given.

The regular meeting of the Red

Cross was held Tuesday afternoon, November 20th in the La Canada school building. Two gauze bolts were cut, folded in strips and packed. One hundred and twenty gauze strips were folded by Mrs. Goddard, 87 by Miss Fannie Jewett. The Red Cross room was open all day Tuesday, those present all day were, Mrs. Goddard, Fannie Jewett, Mrs. Jewett, Mrs. Lea, Mrs. Ashworth, Mrs. Granger and Mrs. Horn. The room being kept open all day Tuesday enables anyone unable to attend in the afternoon to attend in the morning or vice versa. A week from Tuesday will be Exchange Day. Remember to do your bit.

Miss Dorothy Lester invited the young ladies of the valley to her home Friday evening, for the purpose of organizing a club to carry on Red Cross work of some kind. After various discussion it was finally decided that the club would sew for the French babies. Miss Helen Cooper was appointed to look into the matter and report at the next meeting. The meetings will be held each Friday evening, and all the young ladies in the valley so desiring are invited to attend.

TUJUNGA

The entertainment to be given on Tuesday evening, November 27, under the auspices of the Woman's Club for the French R. C. Relief, will give the following program:

Opening Address, Mr. Wineman.
Ladies Quartet, Mrs. Darlington, Hough, Hoffman and Miss Osgood.
Recitation, Margaret Frost.
Song, Mr. Blake.
Reading, Mrs. Smellie.
Violin Solo, Grace Greenfield.
Address, Mr. McGroarty.
Vocal Solo, Dr. Buck.
Reading, Miss Hatch.
Music, Gladys and Dorothy Maygrove.
"Our Bit," Mr. Parcher and others.
Vocal Solo, Mrs. Eckert.
Recitation, Virginia Petrotta.
Vocal Solo, Geo. Osborne.
"Star Spangled Banner," Audience.
Come and have a good time.

We are pleased to see Mr. and Mrs. Saeger again in our midst. At last accounts Mr. Saeger was seriously ill at the hospital, so we are more than glad to know that he is on the way to recovery, and are sure our delightful climate will restore him to perfect health.

Mr. Walter Maygrove has sold his home place on San Ysidro road to Dr. Darling, of Ocean Park, who owns a home opposite. The doctor resold part of the acre to a brother-in-law, but the quarter acre with the

house upon it he will remodel and put on the rental list. We shall miss the Maygrove family, who have been with us for the past three years, and have been great aids in the music work in the valley. They will move to Los Angeles for the present, while Mrs. Maygrove, Dorothy and Gladys prepare for their work on the vaudeville stage.

Dr. Wilkinson and friends, Mr. and Mrs. McCab, were visitors in Tujunga last Sunday.

Miss Alice Case is the guest of her aunt, Mrs. Brissenden.

We regret to learn of the sudden death of Geo. Porter who has been staying at the Sullivan house for some months. Old age and general debility was the cause. He leaves two brothers and a sister to mourn his loss.

The Womans Club sent in a large donation of warm clean clothing to the French Red Cross Relief Society on Monday and another consignment will go the first of next week. We thank all who have so generously donated for this fund as well as those who have given their time to remodel and make over garments.

A fine box is being prepared for the P. T. A. of Los Angeles, and will be forwarded before the holidays. Any who wish to donate to the "Christmas basket" anything in eatables, may leave word with Mrs. Dean, Mrs. Marsten, or Mrs. Fairfield.

The Tujunga Board of Trade held its yearly meeting on Monday evening and elected the following directors for the coming year: Wilmot Parcher, J. D. Johnson, C. C. Buck, Leo Lang, E. Darlington, D. C. Dean, C. J. Woodrow, W. H. Wieman, Frank Herrick and C. Van Battum.

The monthly meeting of the Bee Club will be held at Dean's Store on Monday evening, November 26, at 7:30 p. m.

Mrs. Wilson and her two children moved to Los Angeles on Tuesday.

Mrs. Morris and Mrs. Thompson, who have been with us the past two years, have moved to Long Beach, where one of them is under the care of a specialist, which made the move necessary. Both were unwilling to go, and we shall miss them very much.

Mr. Paul made a flying visit to the colony on Monday, walking from Glendale and back again.

The Tujunga Christian Endeavor Society held its monthly social at the school house on November 17th. The young folks came arrayed in "kid" costumes—short skirts, pig-tails, knickerbockers and Fauntleroy ties were in evidence. The evening was spent in holding an old fashioned "skule." Miss Fern Whitman, attired in a costume of 50 years ago and with a most bewitching display of the side curls common to that period, presided at the teacher's desk. The "dunce" and "teacher's pet" were both there and all the tricks known to juveniles of the long ago were indulged in to the distraction of the scandalized pedagogue.

The Misses Hagarty entertained a week end party from Long Beach at their cottage on Monte Vista boulevard, last week.

The highway question has at last been settled. Work is to begin at once. The surveyors and their cook are looking for a place to live as nearly central as possible, and we have it for them.

Mr. Niehard left on Thursday for Los Angeles and Leo Lang takes his place in the lumber office.

TUJUNGA

By F. M. ASHBY

The annual meeting of the Board of Trade was held at the school house Monday night. It was well attended and a good deal of interest manifested in the business transacted. A considerable number of new members were admitted as follows: A. Munson, Anton Kluge, D. H. Johnson, F. O. Hough, Mrs. Cora B. Linabery, Mrs. M. H. Osgood, Mrs. Mary L. Fairfield, Mrs. E. Hoffman, A. Neumeyer, H. C. Hall.

After some little discussion and voting as to the right of the new members to vote at the meeting, it was finally decided to permit them to do so.

The election of the ten members of the Board of Directors resulted as follows: Wilmot Parcher, Dr. C. C. Buck, Frank Herrick, D. H. Johnson, Carl J. Woodrow, C. Van Battum, L. Lang, Edward Darlington, D. C. Dean, W. H. Wieman.

The Board of Directors will meet Saturday night at D. C. Dean's store to organize. The election of Mr.

Next 15,000 cu. ft. per Meter per Mo. 60c per 1,000 cu. ft.
Next 25,000 cu. ft. per Meter per Mo. 50c per 1,000 cu. ft.
All over 50,000 cu. ft. per Meter per Mo. 45c per 1,000 cu. ft.

Minimum Monthly Bill Apartments 35c per Meter.
Minimum Monthly Bill Commercial and Residences 50c per Meter.

Southern California Gas Co.

Parcher, who received every vote cast is gratifying to the people who know of his sterling worth and of his work at Glendale as chairman of the Board of Trustees in that city. There is much good that the Board of Trade can accomplish and with the coming year much is hoped for.

In the absence of the president, the secretary was by unanimous consent invited to preside at the meeting and at the close on motion of Dr. Buck, a vote of thanks was given him for faithful service since the organization of the board.

NO. 13 FATAL

When the members of section 29, American field ambulance service, reached France, the first thing they did was to have a picture taken to send home to friends. They numbered in figures in the picture, and to Jack Newlin, a Princeton man, was assigned No. "13."

Before the picture reached America the cable brought news of Newlin's death. He is the only man of the unit who has been killed.

Newlin lost his life in what is declared to be the most dangerous four weeks' work ever done by ambulance drivers in France. The section was at the front during the last half of July and the first half of August.

Newlin was wounded by shrapnel and died a day later. Julian Allen of Boston, was wounded and forced to remain in the hospital for a week. The others, although their ambulances were often damaged by shells, remained unhurt, and now are resting back of the lines.

ONE BOY'S INFLUENCE

A little boy in Graves County, Ky., is responsible for that county having an agricultural agent, a pure-bred live stock association, and a consequent improvement in general agricultural conditions.

A report of the State agent in charge of boys' agricultural clubs to the United States Department of Agriculture says that two years ago he received a letter from Earl Gary, a little boy at Mayfield, Ky., expressing a desire to join the boys' corn club and so win his way to the State fair. The State agent went to the town in response to this letter and assisted the boy in securing the necessary number of members to organize a club. The State agent called on the county school superintendent to interest him in the boy's plan. The school superintendent became interested in the work of a county agent,

and the conversation resulted in Graves county securing an agricultural agent. In turn that resulted in the organization of a pure-bred live stock association, of which the little boy was a charter member.

IT TAKES A MAN

It takes a man to stand alone.
A man whose heart is strong.
To do what he believes is right
And single handed make his fight
When thousands call him wrong.

It takes a man to turn aside
The popular applause,
To stand against the moving tide
Of multitudes when they deride
And not forsake his cause.

It takes a man content to be
Unpopular, uncheered,
To battle conscientiously
For right his fellows may not see
When hatred's head is reared.

Great deeds are seldom born of
praise.
With smiles right is not won.
Unpopular are oft the ways
Of him who seeks the truth to raise
Until his work is done.

—Detroit Free Press.

SIGNS OF THE TIMES

In a Battle Creek laundry: "We wash your flannels without shrinking." In a Kansas hotel: "New iron beds and bedding." In Oak Park: "Choice apricots, full of life." In a Missouri hotel: "Fire escape at rear of hall." Please turn out your light when leaving the room." In Toronto: "If for any reason you are unable to read menu, the waiter will cheerfully instruct you." In a Peoria transfer barn: "Our slogan, two men on a trunk; no scratching of walls." On a Chicago saloon door: "Caution, beware of the step."

When a theater's doors are opened some one goes in first. But were you ever the first person in a theater audience?

QUITE SO

"There is a report that Ella has taken to painting her face, and I saw her buying rouge the other day." "That certainly does lend color to the report."—Baltimore American.

There are more suicides in the United States in June and fewer in January than any other month in the year.

The Magic Majestic Seven

Radiates heat like the sun does on a summer day

It is the most powerful—the most economical—the most convenient—the safest electric heater you can buy.

It is approved by the National Board of Fire Underwriters

No electric heater is safe if the back gets too hot—the back of a Majestic No. 7 never gets hot.

Majestic No. 7 will give you sun-like heat in your home, office or store—heat without smoke, dirt, dust, odor or trouble.

Price complete with plug and 8 feet of cord \$7.50
